

'After 15 years of proving it, The Band Who Knew Too Much are a truly classic Australian band'

The Band Who Knew Too Much are a bona-fide fool-proof floor-packing band. For over a decade they have branded their sound around the world; a highly energetic act that is at home singing on the festival stage, busking unplugged on the city streets, or anything inbetween!

Exciting Australian songs propelled by vigorous woodchop rhythm! Add some strong Aussie lyric, with dynamic delivery and their unique sound is complete.

Dave Evans - Accordion/Vocals
Andy Reid - Clarinet/Wasboard/Vocals
Matt Earl - Drums/Vocals
Craig Fermanis - Guitar
Rory Boast - Double Bass/Vocals
